

INDUSTRY - INSTITUTE INTERACTION CELL

Objectives of the cell:

- To establish and strengthen effective interaction between the institution and industries.
- To bridge the gap between academic learning and industry requirements by providing practical exposure to students.
- To organize industrial visits, guest lectures, workshops, seminars, and expert talks for enhancing industry awareness.
- To facilitate internships, live projects, and training opportunities that improve students' practical knowledge and employability skills.
- To prepare students to meet the dynamic challenges of the corporate world.
